**FIRST DISTRICT WATER DEPARTMENT LAUNCHES NEW
ONLINE BILL PAY AND ELECTRONIC BILLING SYSTEM**

The First Taxing District Water Department is pleased to offer an easy and fast way to pay and/or view your water bills online. Electronic invoicing allows the District to offer email or web-based invoice services as a choice rather than traditional paper invoices to their customers. Bills are available for viewing or payment, 24 hours per day, 7 days per week. This not only saves money but contributes to saving the environment.

The District, in partnership with Invoice Cloud, now accepts ACH debits/electronic checks (electronic fund transfer from your checking or savings account) and credit/debit card payments of bills. Dominick M. Di Gangi, General Manager said “We feel that this service presents the best value for online viewing and payments for our customers.” Invoice Cloud offers premium security and ease of use all for less than the cost of a stamp. This online bill viewing and payment solution provides customers with the following benefits:

- No signup cost.
- No transaction fees.
- Access, view and pay your water bill at your convenience.
- Paying your bill online is faster and cheaper than writing a check and mailing it.
